

WASHINGTON COUNTY SCHOOL DISTRICT

Ensure High Levels of Learning for Every Student.

With 49 schools, 1,700 full-time teachers, and nearly 33,000 children, our focus is to "Ensure High Levels of Learning for Every Student."

OUR VALUES

Student-Centered Learning

We value students learning the content, skills, traits, and behaviors that allow them to create their own future.

School Safety

We value processes that ensure the physical, social and emotional safety of students, teachers and staff.

Fiscal Responsibility

We value careful, accountable and transparent management of the public's trust and funds.

Professional Learning

We value collaboratively building the capacity of each teacher and administrator for effective teaching and learning.

Growth Management

We value a systematic, researched-based process to ensure responsible and responsive growth planning.

Stakeholder Engagement

We value pro-active and clear lines of communication with students, families, and community.

STRATEGIC GOALS

Student-Centered Learning

Utilize research-based teaching and learning practices to increase cognitive engagement and student responsibility for learning.

School Safety

Plan for students' physical, social, emotional and behavioral needs.

Growth Management

Plan for innovative, creative, and functional learning spaces that fit seamlessly into the local community.

Fiscal Accountability

Continue and enhance responsive and transparent accounting practices.

Professional Learning

Expand and deepen professional learning through the development of targeted, relevant, and job-embedded teaching and learning practices.

Stakeholder Engagement

Initiate and maintain clear lines of communication with all stakeholders, especially students, families, and community.

The 3 embedded concepts in everything we do:

Cognitive Engagement

Student Responsibility for Learning

4 C's of 21st Century Learning
Communication - Collaboration
Critical Thinking - Creativity
